

**PRODUCT BULLETIN**  
**Globe Valve, New Generation Actuators**

**PB – 79**  
**April 1, 2013**

**Sales Release: New Generation Globe Valve Actuators Are Available for Purchase on April 1<sup>st</sup>**

**Summary:** Globe valve assemblies will be available on April 1<sup>st</sup> 2013 with New Generation Actuators to replace the current NV solution for non-spring return (NV, NVD) and spring return (NVF) applications.

Assemblies with spring return actuators will use existing spring return actuators (LF, NF, AF) and new generation electronic fail-safe actuators. The NV/UNV series for globe valves and retrofit combinations will be phased-out from now to April 1<sup>st</sup>, 2013. Effective April 1<sup>st</sup>, 2013, the NV actuators and UNV linkages will no longer be available for sale to **contracting** customers. OEM phase-out will be completed by April 1<sup>st</sup> 2014.

**New Globe Valve and Actuator Product Range (April 1<sup>st</sup> 2013)**

- **G2/G3** ½"-2" NPT globe valves
- **G6/G7** 2 ½"-6" Flanged globe valves
- **Non-spring return assemblies (LM, NM, AM, GM):** converted to new generation actuators
- **Spring return assemblies:** will use existing spring return actuators (LF, NF, AF) and new generation electronic fail-safe actuators

See [electronic version of the PGPL](#), for the new offering options on page 14-8 to 14-11 and 14-17 to 14-43 for assembly selection and pricing. [Technical documentation](#) can be found at [www.belimo.us](http://www.belimo.us).
